- We will also be using Jodi Mockabee's Verse to Song 1 for our scripture memory. If you would like to purchase, I will attach the link. We use this a lot in our own home and we really love it. I will provide a copy of the song each month, but this is a great tool and a good way to support a homeschooling mama. <https://jodimockabee.com/schoolhousecuriosities/verses-to-song>
